DREAM GIRLS FOR LIFE

The Dream

Every little girl has a dream inside of her, but sometimes that dream is lost and it fades away because of traumatic life experiences. At Let's Talk Inc. our goal is help teen girls recapture their lost dreams and began to DREAM BIG! again.

DREAMGIRLS FOR LIFE

Our Program

The Dream Girls program is a multi-dimensional program that address some of the issues that teen girls are facing today. Issues such as teen pregnancy, gang violence, dating violence, and family issues. Our program is topic relevant, teen savvy, fun, educational, and thought provoking. The teen girls in our program will be exposed to:

- * Educational opportunities
- * Career opportunities
- * Art + Culture
- * Nutritional activities
- * Dance +
- * The Evening of Elegance

maybe a saying here...

DREAMGIRLS FOR LIFE

Every little girl has a dream inside of her, but sometimes that dream is lost and it fades away because of traumatic life experiences. Every little girl has a dream inside of her, but sometimes that dream is lost and it fades away because of traumatic life experiences. Every little girl has a dream inside of her, but sometimes that dream is lost and it fades away because of traumatic life experiences.

About Let's Talk Inc.

Let's Talk Inc. is a certified program of competency and creative skills enhancement. The commitment of Let's Talk Inc. is to assist girls and young women in recovering their sense of self while developing a sense of integrity and enhanced self esteem through creative pursuits.
